Jayne and Allison,

The attached includes changes to the riparian, roads and landslides sections of the rationale document based on comments from the tech team members and the managers. It also includes my responses to several of the comments. I would appreciate your thoughts on this so far. The “roads” section is a little “rough”. It seems repetitive but I will let you be the judges. I know we are still waiting on the attorneys’ comments which will likely take some time to address. I am
